Subject: **G.L.O.M on Derby Ct.**

Hello, my name is Jeremy Henderson & I am a resident on Derby. The reason for my email is to voice the concerns of my household in regards to the G.L.O.M house that has recently moved into our neighborhood. I purchased my home in 2010 on Derby & at this time it was a quiet peaceful family neighborhood. Everything changed in 2013 due to a family that rented a house up the street that was involved in gangs & other illegal activities. On New Year's Eve 2013 this house had a party full of gang members that got into a fight with a rival gang that spilled out into our neighborhood street. 2 men from one of the gangs ran into my house through a garage door leading into my house. Here they tried to hide from the other gang that was chasing them with knives & guns. One of the gang members ran into my backyard & was shot to death by the other gang. I found the guy dead the next morning. You have no idea how this has impacted my family. My daughter was 7 years old at the time & was mentally scared for life. She had to go to counseling & had nightmares all the time. She slept in bed with me & my wife for 2 years before she would return to sleeping in her own bed. I myself slept with one eye opened for about a year & didn't feel comfortable in my own home.

My concerns with this G.L.O.M house moving to our neighborhood is that these folks have mental & behavioral problems & there are several families with kids that play outside. I myself on 3 different occasions have woke up to clients at this house screaming & yelling profanity as early as 4am. This shows me that these workers have no control of what's going on in this house & that these clients are a threat to all of us that live here in the neighborhood. Another problem is because the house is in a court we are limited on parking & the workers are taking up all the parking.

This is a family neighborhood that needs to stay peaceful & a safe place for our kids.

It is my understanding that all of the G.L.O.M houses in Merced are still waiting on permits & should have NO clients living in them.

Thank you,
