Sarah,

I wanted you to know that I am opposed to the removal of the grassy areas on N St. for three reasons.

1. The configuration of the trees and grassy areas have been a fixture in the City for over 115 Years and should remain as they are.
2. The additional of diagonal parking will not be aesthetically pleasing as the present structure.
3. The drawing of the proposed parking raise the issu of safety and congestion in the area.

Grey
