**Subject:** Fund Our Futures, we're FOR Inclusionary Zoning!

Hello,

My name is Rebecca Perry Bautista I want to comment on Agenda Item K2.

Young people demand that the City of Merced Fund our Futures Now. Housing is a right and we need affordable housing for all. We deserve debt free futures where we can plant firm roots in the city we call home.

I support inclusionary zoning because housing is a human right!

Our city needs to build more affordable housing for low-income families. Merced City Council, you need to pass an inclusionary Zoning ordinance today!

Thank you!

Rebecca
