Subject: Fund Our Futures, we're FOR Inclusionary Zoning!

Hello,

My name is Kelly I want to comment on Agenda Item K2.

Young people demand that the City of Merced Fund our Futures Now. Housing is a right and we need affordable housing for all. We deserve debt free futures where we can plant firm roots in the city we call home.

I support inclusionary zoning because is my home. I was born and raised here in Merced. I finished school at CSU Stanislaus, and found an entry level part time job. My goal is to move out with my fiance, but it is almost impossible because rent is so high. A one bedroom apartment is \$1200, and a 3 bedroom house is \$1600-1800. And that's not including other utility expensive. I have to two part time jobs to help my father bills.

Our city needs to build more affordable housing for low-income families. Merced City Council, you need to pass an inclusionary Zoning ordinance today!
