Hello Council Members and Community,

My name is Amelia, I am a resident of Merced, Council District 1. I am writing to show my support for the city to look deeper into a resolution supporting street vendors in Merced. Street vendors are part of our community and deserve protections from violence, harassment and arrest. We know that attacks on street vendors have increased, including from folks in leadership.

We recommend the city work alongside vendors, in their language, and support their needs.

Thank you,

Amelia Johnson, MPH
