City Administration and Merced Airport,

I just want to say thank you for getting a Merced to Las Vegas route back!!!

Me and my husband just went for the weekend and it was an amazing experience! They fly into the private terminal so we really feel like VIP.

I fly to Sacramento and LA all the time with Boutique Airlines for work and now I have another place to fly but for leisure. My company and vendors are also so excited because they can connect from Hawaii easily.

What ever you all did to make this happen is amazing and hopefully we get more destinations!!

Thank you,

Sincerely,

Margy Thompson
