

# CITY OF MERCED

**MERCED**

ADDENDUM NO: 1

SOLICITATION NO: **Bid #07222021**

SOLICITATION NAME: **Supply & Delivery of Crude Glycerin**

DATE: **July 12, 2021**

---

In reference to Exhibit A: Specifications, Section II “Detailed Specifications” regarding the parameter MONG (page 7 of the bid).

In the MONG, there shall be no solid or food particles larger than 3/16 inch in diameter. If a load is delivered that is not in compliance with the specifications of this bid, then the seller, at their own expense, must remove and replace the material from our tank within 72 hours of discovery of noncompliance. If these terms for handling a noncompliant load are disagreeable, then bidder may submit a plan for handling a contaminated load along with your bid.
