I. INTRODUCTION

City of Merced Community Facilities District No. 2003-1 (Bellevue Ranch East)

On July 19, 2004, the City Council of the City of Merced (the “Council”) adopted Resolution No. 2004-97 and established the City of Merced Community Facilities District No. 2003-1 (Bellevue Ranch East) (“CFD No. 2003-1” or the “CFD”). Also on July 19, 2004, the Council adopted Resolution No. 2004-98 and authorized bonded indebtedness for the CFD not to exceed \$15,000,000. On July 5, 2005, the Council adopted Resolution No. 2005-82 authorizing the issuance of the 2005 Special Tax Bonds and on August 4, 2005, special tax bonds (the “2005 Bonds”) in the aggregate principal amount of \$12,745,000 were issued on behalf of the CFD. The 2005 Bonds were issued to finance certain public facilities both within and outside of the CFD. These facilities include, but are not limited to, the construction of “M” Street, a sanitary sewer lift station, a storm sewer lift station, and improvements to “G” Street, Bellevue Road, Cardella Road, Bancroft Drive, Merrill Place, Foothill Drive, and Mandeville Lane.

On January 19, 2016, the Council adopted Resolution No. 2016-03 authorizing the issuance of the 2016 Special Tax Refunding Bonds and on August 30, 2016, special tax bonds (the “2016 Bonds”) in the aggregate principal amount of \$8,985,000 were issued on behalf of the CFD. Proceeds from the 2016 Bonds fully redeemed the 2005 Bonds on September 1, 2016.

The CFD is located in the northern portion of the City of Merced (the “City”) and contains approximately 228 acres of land within Phase I and Phase II of the Bellevue Ranch East development area, which are part of the Bellevue Ranch Master Planned Community. Development within the CFD is planned for approximately 1,393 new residential units and 22 acres of commercial development. Specifically, development in Phase I is expected to consist of 581 residential units, while Phase II is expected to consist of 812 residential units and 22 acres of commercial development.

The Mello-Roos Community Facilities Act of 1982

The reduction in property tax revenue that resulted from the passage of Proposition 13 in 1978 required public agencies and real estate developers to look for other means to fund public infrastructure. The funding available from traditional assessment districts was limited by certain requirements of the assessment acts, and it became clear that a more flexible funding tool was needed. In response, the California State Legislature approved the Mello-Roos Community Facilities Act of 1982 (the “Act”), which provides for the levy of a special tax within a defined geographic area, namely a community facilities district, if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities, and special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

A community facilities district is authorized to issue tax-exempt bonds that are secured by land within the district. If a parcel does not pay the special tax levied on it, a public agency can foreclose on the parcel and use the proceeds of the foreclosure sale to ensure that bondholders receive interest

and principal payments on the bonds. Because bonds issued by a community facilities district are land-secured, there is no risk to a public agency's general fund or taxing capacity. In addition, because the bonds are tax-exempt, they typically carry an interest rate that is lower than conventional construction financing.

II. PURPOSE OF REPORT

III. FISCAL YEAR 2020-21 SPECIAL TAX REQUIREMENT

Pursuant to the Rate and Method of Apportionment of Special Tax (the “RMA”), which was adopted as an exhibit to the Resolution of Formation of CFD No. 2003-1, the Special Tax Requirement means, in the following priority, the amount necessary in any fiscal year to (i) pay all administrative expenses except those associated with City staff time, (ii) pay principal and interest on bonds which is due in the calendar year that begins in such fiscal year, (iii) create and/or replenish reserve funds for the bonds, (iv) cure any delinquencies in the payment of principal or interest on bonds which have occurred in the prior fiscal year or, based on existing delinquencies in the payment of special taxes, are expected to occur in the fiscal year in which the tax will be collected, (v) pay administrative expenses associated with City staff time, and (vi) pay the costs of facilities, as applicable. For fiscal year 2020-21, the Special Tax Requirement is \$616,610, as shown in the table below, and a detailed breakdown of the fiscal year 2020-21 Special Tax Requirement is included in Appendix B.

IV. FISCAL YEAR 2020-21 SPECIAL TAX LEVY

Special Tax Categories

Special taxes within CFD No. 2003-1 are levied pursuant to the methodology set forth in the RMA. The RMA divides taxable property into the following categories: Developed Property, Undeveloped Property within a Final Map, Undeveloped Property not within a Final Map, Association Property, and Excess Public Property. *[Capitalized terms are defined in the Rate and Method of Apportionment of Special Tax in Appendix D of this Report.]*

- Developed Property is distinguished from the other categories by the issuance of a building permit. Specifically, all property in CFD No. 2003-1 for which a building permit was issued prior to May 1, 2020, will be classified as Developed Property for fiscal year 2020-21.
- Undeveloped Property within a Final Map is all Taxable Property within a recorded Final Map that is not Developed Property.
- Undeveloped Property not within a Final Map is all Taxable Property not within a recorded Final Map that is not Developed Property.
- Association Property is all property within the CFD that is owned by a homeowner's association or property owners association, excluding association property that is under the pad or footprint of a unit.
- Excess Public Property is the acreage of Public Property that exceeds the first 121.3 acres of Public Property based on the dates on which the final maps were recorded creating such Public Property.

Maximum Special Tax Rates

The maximum annual special tax rates applicable to each category of property in the CFD are set forth in Section C of the RMA. These tax rates shall be used to allocate the maximum special tax to parcels of taxable property as explained in the RMA. The annual special tax rate to be levied on each separate land use category in fiscal year 2020-21 is determined by the apportionment methodology contained in Section E of the RMA. The following table identifies the maximum annual special tax that can be levied on each category of property.

Maximum Special Tax Rates for Fiscal Year 2020-21

Land Use Category	Lot Size	Special Tax
Single Family Residential	Greater than or equal to 6,825 s.f.	\$770.00 per Unit
Single Family Residential	Between 5,775 and 6,824 s.f.	\$690.00 per Unit
Single Family Residential	Between 5,250 and 5,774 s.f.	\$610.00 per Unit
Single Family Residential	Between 4,725 and 5,249 s.f.	\$580.00 per Unit
Single Family Residential	Between 2,100 and 4,724 s.f.	\$490.00 per Unit
Other For-Sale Residential	N/A	\$490.00 per Unit
Other Property	N/A	\$5,800.00 per Acre
Undeveloped Property Within a Final Map	N/A	\$6,310.00 per Acre
Undeveloped Property Not Within a Final Map	N/A	\$6,310.00 per Acre

Back-Up Special Tax Formula

The maximum annual special tax rates identified in the table above were calculated based on the expected land uses within the CFD at the time the CFD was formed. Section D of the RMA outlines a back-up formula that shall be used in the event that a proposed land use or entitlement change would reduce the then current expected maximum special tax revenues for the CFD. As of the date of this Report, no land use or entitlement changes have been proposed that would reduce the expected maximum special tax revenues of the CFD; therefore, the back-up special tax formula has not been applied to any parcel in the CFD.

Exceptions to Maximum Annual Special Tax

Notwithstanding the maximum annual special tax rates set forth above, parcels that have prepaid their special taxes are no longer subject to the annual special tax. More detailed information regarding prepayment of the special tax obligation is outlined in Section VIII of this Report. Furthermore, no special tax shall be levied on the first 121.3 acres of property within the CFD that becomes Public Property.

Apportionment of Special Taxes

The amount of special tax that is apportioned to each parcel is determined through the application of Section E of the RMA. Section E apportions the Special Tax Requirement in five steps that prioritize the order in which properties are taxed.

The first step states that the special tax shall be levied against each parcel of Developed Property (other than Association Property) up to 100% of the applicable maximum special tax rate for each such parcel prior to applying any capitalized interest that is available in the CFD accounts.

If the special tax levied pursuant to the first step is less than the Special Tax Requirement, and after applying any remaining capitalized interest, the special tax shall be levied against all parcels of Undeveloped Property within a Final Map (other than Association Property) up to 100% of the applicable maximum special tax.

If the special tax levied pursuant to the first two steps is less than the Special Tax Requirement, the special tax shall be levied against all parcels of Undeveloped Property not within a Final Map (other than Association Property) up to 100% of the applicable maximum special tax.

If additional revenue is needed after applying the first three steps, the special tax shall be levied proportionately on each parcel of Association Property, up to 100% of the maximum special tax for Undeveloped Property.

Finally, if additional revenue is needed after applying the first four steps, the special tax shall be levied proportionately on each parcel of Excess Public Property, exclusive of property exempt from the special tax, up to 100% of the maximum special tax for Undeveloped Property.

In order to meet the Special Tax Requirement for fiscal year 2020-21, it is necessary to levy a tax on all Developed Property. Taxing Developed Property at 91.9% of the maximum special tax rates will generate \$616,610 in tax revenue, which is equal to the Special Tax Requirement, assuming no special tax delinquencies. Therefore, it is not necessary to levy a tax on Undeveloped Property in fiscal year 2020-21. A summary of the taxes levied for fiscal year 2020-21 for all tax categories is shown in Appendix A of this report and the CFD tax roll, which identifies the CFD special tax to be levied against each taxable parcel in the CFD for fiscal year 2020-21, is provided in Appendix C.

V. DEVELOPMENT STATUS

The CFD contains approximately 228 acres of land within Phase I and Phase II of the Bellevue Ranch East development area, which are part of the Bellevue Ranch Master Planned Community. Development within the CFD is planned for approximately 1,393 new residential units and 22 acres of commercial development. Specifically, development in Phase I is expected to consist of 581 residential units, while Phase II is expected to consist of 812 residential units and 22 acres of commercial development.

Background research was conducted to determine the amount and type of development activity that has occurred in the CFD. A review of the City of Merced's records indicated that as of May 1, 2020, a total of 1,006 permits for construction of single family homes had been issued. In addition, there were approximately 44.79 acres of Undeveloped Property within a Final Map. The status of development in the CFD is summarized in the table below.

- 1) Water transmission, distribution and storage facilities, and sewer transmission, treatment and system facilities.
- 2) Public flood and storm protection and storm drainage facilities.
- 3) Street improvements, including without limitation, surface improvements, curb, gutter, sidewalks, bicycle trail, signage, street lighting, traffic signals.
- 4) Dry facilities.
- 5) Park land acquisition and improvements.
- 6) Public safety facilities.
- 7) Other public capital improvements required to serve development within the proposed district and authorized to be financed pursuant to the Act.

VII. CFD FUNDS

A series of funds and accounts were established on behalf of the CFD pursuant to the Fiscal Agent Agreement between the City and MUFG Union Bank, N.A. (the “Fiscal Agent”). Following is a brief description of the purpose of each fund.

The **Special Tax Fund** is held by the Fiscal Agent to receive all special tax revenue from the City. Moneys shall be dispersed from the Special Tax Fund to the following funds in the order of priority given: (i) to the Administrative Expense Fund (up to \$20,000 for any fiscal year); (ii) to the Reserve Fund, if directed by the City; (iii) to the Interest Account; and (iv) to the Principal Account. Moneys remaining in the Special Tax Fund after September 2 of each year may be transferred to the Reserve Fund, the Administrative Expense Fund (in any amount), or to the Surplus Account, as directed by the City.

The **Surplus Account** is held by the Fiscal Agent and is a subaccount of the Special Tax Fund. On September 2 of each year, the Fiscal Agent shall transfer any moneys remaining on deposit in the Special Tax Fund to the Surplus Account. Moneys in the Surplus Account shall be deposited into the Interest Account of the Bond Fund at least five business days prior to each March 1.

The **Administrative Expense Fund** is held by the Fiscal Agent and is used to pay or to reimburse the City for administrative expenses. Annually, not later than five days before the end of each fiscal year, the Fiscal Agent shall transfer any remaining moneys in the Administrative Expense Fund that have not been allocated by an Officer’s Certificate to the Surplus Account of the Special Tax Fund.

The **Redemption Fund** is held by the Fiscal Agent and is used to hold all moneys representing prepaid special taxes that are deposited by the City. Additionally, any moneys deposited by the City for an optional redemption of bonds will be held in the Redemption Fund. All amounts contained in the Redemption Fund shall be used to redeem bonds on the next available redemption date.

The **Costs of Issuance Fund** is held by the Fiscal Agent and is used to pay the costs of issuance of the bonds.

The **Bond Fund** is held by the Fiscal Agent and is used to pay the principal of, and interest and any premium on, the bonds. The Interest Account and Principal Account are separate subaccounts within the Bond Fund.

The **Interest Account** is held by the Fiscal Agent and moneys therein shall be disbursed for the payment of interest becoming due and payable on the outstanding bonds on such interest payment date. No deposit need be made into the Interest Account if the amount contained therein is at least equal to the interest to become due and payable on such interest payment date.

The **Principal Account** is held by the Fiscal Agent and moneys therein shall be disbursed for the payment of principal becoming due and payable on the outstanding bonds, as well as the redemption price of bonds required to be redeemed pursuant to the Fiscal Agent Agreement.

The **Reserve Fund** is held by the Fiscal Agent and used as a reserve for the payment of principal and interest on the bonds. Whenever the amount in the Reserve Fund is less than the Reserve Requirement (i.e., \$604,463 as of September 1, 2020), the Fiscal Agent shall deposit an amount into the Reserve Fund necessary to restore the balance in the Reserve Fund to the Reserve Requirement. Any amounts in excess of the Reserve Requirement shall be transferred by the Fiscal Agent on September 2 of each year for deposit into the Interest Account and the Principal Account.

Money held in any of the aforementioned funds and accounts will be invested by the Fiscal Agent at the direction of the City on behalf of the CFD and in conformance with limitations set forth in the Fiscal Agent Agreement. Investment interest earnings, if any, will generally be applied to the fund for which the investment is made.

VIII. PREPAYMENTS

As of June 30, 2020, no property owners in CFD No. 2003-1 have fully prepaid their special tax obligation. Therefore, all parcels of taxable property remain subject to the CFD special tax levy.

IX. DELINQUENCIES

As of October 20, 2020, the Merced County Tax Collector's Office reports the following delinquency amounts for CFD No. 2003-1:

Community Facilities District No. 2003-1 Delinquencies as of October 20, 2020

CFD No. 2003-1 is included in the County's Teeter Plan; therefore, all special taxes levied are remitted to the City.

X. FORECLOSURE COVENANTS

The CFD is currently included in the County’s Teeter Plan, although the County may discontinue the Teeter Plan in future years. Pursuant to Section 53356.1 of the Act, if any delinquency occurs in the payment of the special tax, the City may initiate a Superior Court action to foreclose the lien within specified time limits. In such an action, the real property subject to the unpaid amount may be sold at a judicial foreclosure sale.

While judicial foreclosure is not mandatory, the City agreed in the Fiscal Agent Agreement that the City will review the public records of the County of Merced relating to the collection of the special tax each year to determine the amount of the special tax collected in the prior fiscal year. The City covenants with and for the benefit of the owners of the 2016 Bonds (i) that it will order, and cause to be commenced, judicial foreclosure proceedings against properties with delinquent special taxes in excess of \$5,000 by the October 1 following the close of the fiscal year in which such special taxes were due, and (ii) that it will commence judicial foreclosure proceedings against all properties with delinquent special taxes by the October 1 following the close of each fiscal year in which it received special taxes in an amount which is less than ninety-five percent (95%) of the total special taxes levied, and diligently pursue completion of such foreclosure proceedings.

As of the date of this Report, the City has not initiated foreclosure proceedings on any parcel in the CFD. Delinquency reminder letters were mailed to all property owners who were delinquent in payment of the special tax on June 1, 2020. The table below outlines the type and number of letters mailed to delinquent property owners.

Community Facilities District No. 2003-1 Mailed Delinquency Letters

Mailing Date	Type of Letter	Number of Letters Mailed

XI. SENATE BILL 165 REPORTING REQUIREMENTS

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City Council setting forth the following information.

Item (b): Identify the status of any project required or authorized to be funded from bond proceeds.

All construction and acquisition proceeds from the 2005 Bonds have been spent on the CFD authorized facilities.

XII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds.

XIII. ARBITRAGE REBATE CALCULATIONS

An interim arbitrage rebate analysis for the 2016 Bonds was complete as of September 1, 2020. The analysis showed that the City was not subject to arbitrage rebate or yield restriction payments to the IRS for investment earnings from the 2016 Bonds.

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX

A Special Tax applicable to each Assessor Parcel in the City of Merced Community Facilities District No. 2003-1 shall be levied and collected according to the tax liability determined by the City of Merced or its designee, through the application of this Rate and Method of Apportionment of Special Tax. All of the property in the CFD, unless exempted by law or by the provisions hereof, shall be taxed for the purposes, to the extent, and in the manner herein provided, including property subsequently annexed to the CFD unless otherwise provided for the annexed property.

The amounts referred to in clauses (ii) and (iii) of the preceding sentence may be reduced in any Fiscal Year by: (i) interest earnings on or surplus balances in funds and accounts for the Bonds to the extent that such earnings or balances are available to apply against debt service pursuant to a Bond indenture, Bond resolution, or other legal document that sets forth these terms; (ii) proceeds from the collection of penalties associated with delinquent Special Taxes; and (iii) any other revenues available to pay debt service on the Bonds as determined by the Administrator.

SECTION B. DATA FOR ANNUAL ADMINISTRATION

On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor Parcel numbers of all Taxable Property. The Administrator shall also determine: (i) whether each Assessor Parcel is Developed Property or Undeveloped Property; (ii) for Developed Property, which Assessor Parcels are Single Family Residential Property, Other For-Sale Residential Property, and Other Property; and (iii) the Special Tax Requirement.

If, in any Fiscal Year, an Assessor Parcel includes both Developed Property and Undeveloped Property, the Administrator shall determine the acreage associated with the Developed Property, subtract this Acreage from the total Acreage of the Assessor Parcel, and use the remaining Acreage to calculate the Special Tax that will apply to Undeveloped Property within the Assessor Parcel.

In addition, the Administrator shall, at least twice each Fiscal Year, determine: (i) whether changes have been proposed or approved to the Formation Land Use Plans; and (ii) whether Final Maps that have been approved by the City are consistent with the applicable Tentative Maps. If

changes to the Formation Land Use Plans have occurred, or if Final Maps are inconsistent with the Formation Land Use Plans, the Administrator shall apply the steps set forth in Section D of the Rate and Method.

SECTION C. MAXIMUM SPECIAL TAX

1. *Special Tax Rates*

Table 1 below identifies the Maximum Special Taxes for Taxable Property within the CFD.

**TABLE 1
MAXIMUM SPECIAL TAXES**

<i>Type of Property</i>	<i>Maximum Special Tax</i>
Single Family Residential Property, SFD Lots:	
≥ 6,825 square feet	\$ 770 per Unit
≥ 5,775 and < 6,825 square feet	\$ 690 per Unit
≥ 5,250 and < 5,775 square feet	\$ 610 per Unit
≥ 4,725 and < 5,250 square feet	\$ 580 per Unit
≥ 2,100 and < 4,725 square feet	\$ 490 per Unit
Other For-Sale Residential Property	\$ 490 per Unit
Other Property	\$5,800 per Acre
Undeveloped Property	\$6,310 per Acre

2. *Special Tax Increases*

Pursuant to Section 53321 (d) of the Act, the Special Tax levied against a Parcel used for private residential purposes shall under no circumstances increase more than ten percent (10%) as a consequence of delinquency or default by the owner of any other Parcel or Parcels and shall, in no event, exceed the Maximum Special Tax in effect for the Fiscal Year in which the Special Tax is being levied.

SECTION D. BACK-UP FORMULA

The Maximum Special Taxes set forth in Table 1 above are calculated based on the Expected Land Uses. Proposed Tentative Maps, Tentative Map revisions, and any other change to the Formation Land Use Plans must be reviewed and compared to the Expected Land Uses to evaluate the impact on the Expected Maximum Special Tax Revenues. In addition, Final Maps must be reviewed to ensure they reflect the number of residential Units and Acreage of Other Property that was anticipated in the approved Tentative Maps. The following steps shall be applied each time there is a change in the Formation Land Use Plans and each time a new Tentative Map, revised Tentative Map, or new Final Map (“Land Use/Entitlement Change”) is proposed.

If, prior to the Final Bond Sale, a Land Use/Entitlement Change is proposed that will result in a reduction in the Expected Maximum Special Tax Revenues, no action will be needed pursuant to this Section D as long as the reduction in Expected Maximum Special Tax Revenues does not reduce debt service coverage on outstanding Bonds below the amount committed to in the Bond documents. Upon approval of the Land Use/Entitlement Change, the Administrator shall update Attachment 1 and recalculate the reduced Expected Maximum Special Tax Revenues, and the reduced Expected Maximum Special Tax Revenues shall be the amount used to determine the amount of the Final Bond Sale.

If, after the Final Bond Sale, a Land Use/Entitlement Change is proposed, then:

- Step 1:** The Administrator shall calculate the Expected Maximum Special Tax Revenues for the CFD;
- Step 2:** The Administrator shall calculate the Maximum Special Tax revenues that could be collected from property in the CFD if the Land Use/Entitlement Change is approved;
- Step 3:** If the amount determined in Step 2 is more than that calculated in Step 1, the Land Use/Entitlement Change may be approved without further action. If the revenues calculated in Step 2 are less than those calculated in Step 1, one of the following must occur:
- (a) The Land Use/Entitlement Change is not submitted for approval or, if submitted, is not approved by the City;
 - (b) The Council, prior to approval of the Land Use/Entitlement Change, completes proceedings under the Act to increase the Maximum Special Tax, on Assessor Parcels owned by the landowner requesting same, to an amount sufficient to maintain the total Maximum Special Tax revenues that could be generated within the CFD before the Land Use/Entitlement Change was approved; or
 - (c) Before approval of the Land Use/Entitlement Change, the landowner requesting the Land Use/Entitlement Change prepays to the City an amount that corresponds to the lost Maximum Special Tax revenue, as determined by applying the steps set forth in Section H below to prepay the Special Tax. Any such prepayment shall be used by the City to call Bonds.

SECTION E. METHOD OF LEVY

Each Fiscal Year, the Administrator shall determine the Special Tax Requirement to be collected in that Fiscal Year, and the Special Tax shall be levied according to the steps outlined below.

- Step 1:** The Special Tax shall be levied Proportionately on each Assessor Parcel of Developed Property (other than Association Property) up to 100% of the

Maximum Special Tax for each Assessor Parcel for such Fiscal Year determined pursuant to Section C;

- Step 2:** If additional revenue is needed after Step 1, and after applying Capitalized Interest to the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Assessor Parcel of Undeveloped Property within a Final Map (other than Association Property), up to 100% of the Maximum Special Tax for each Assessor Parcel for such Fiscal Year determined pursuant to Section C;
- Step 3:** If additional revenue is needed after applying the first two steps, and after applying Capitalized Interest to the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Assessor Parcel of Undeveloped Property not within a Final Map (other than Association Property), up to 100% of the Maximum Special Tax for each Assessor Parcel for such Fiscal Year determined pursuant to Section C;
- Step 4:** If additional revenue is needed after applying the first three steps, the Special Tax shall be levied Proportionately on each Assessor Parcel of Association Property, up to 100% of the Maximum Special Tax for Undeveloped Property for such Fiscal Year determined pursuant to Section C;
- Step 5:** If additional revenue is needed after applying the first four steps, the Special Tax shall be levied Proportionately on each Assessor Parcel of Excess Public Property, exclusive of property exempt from the Special Tax pursuant to Section G below, up to 100% of the Maximum Special Tax for Undeveloped Property for such Fiscal Year determined pursuant to Section C.

SECTION F. COLLECTION

Except as may be provided by the CFD or the City, and for prepayments herein and delinquencies, the Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes.

The Special Tax shall be levied and collected until principal and interest on Bonds have been repaid and the Facilities to be constructed from Special Tax proceeds have been completed. However, in no event shall a Special Tax be levied after Fiscal Year 2049-2050.

SECTION G. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method, no Special Tax shall be levied on the first 121.3 acres of property within the CFD that becomes Public Property, including all Public Property as of CFD Formation. A Special Tax may be levied on Excess Public Property pursuant to Step 5 of Section E; however, a public agency may require that the special tax obligation on land conveyed to it that would be classified as Excess Public Property be prepaid pursuant to Section H below. In addition, no Special Tax shall be levied on Parcels of Phase 2 Property until

the date that a grant deed or other instrument conveying title to any portion of such property to an owner other than Gragnani has been recorded in the official records of the County.

SECTION H. PREPAYMENT

The following definitions apply to this Section H:

“Outstanding Bonds” means all Previously Issued Bonds which remain outstanding, with the following exception: to the extent that a Special Tax has been levied against an Assessor Parcel in the CFD that will be used to pay a portion of the next principal payment on the Bonds that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from the total Bond principal that remains outstanding, and the difference shall be used as the amount of Outstanding Bonds for purposes of this prepayment formula.

“Previously Issued Bonds” means all Bonds that have been issued on behalf of the CFD prior to the date of prepayment.

“Public Facilities Requirements” means either \$7,164,000 in 2004 dollars, which shall increase on January 1, 2005, and on each January 1 thereafter by the percentage increase, if any, in the construction cost index for the San Francisco region for the prior twelve (12) month period as published in the Engineering News Record or other comparable source if the Engineering News Record is discontinued or otherwise not available, or such lower number as shall be determined by the City as sufficient to fund improvements that are authorized and anticipated to be funded by the CFD.

“Remaining Facilities Costs” means the Public Facilities Requirements (as defined above), minus public facility costs funded by Outstanding Bonds (as defined above).

The Special Tax obligation applicable to an Assessor Parcel in the CFD may be prepaid and the obligation of the Assessor Parcel to pay the Special Tax permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor Parcel at the time of prepayment. An owner of an Assessor Parcel intending to prepay the Special Tax obligation shall provide the City with written notice of intent to prepay. Within 30 days of receipt of such written notice, the City or its designee shall notify such owner of the prepayment amount for such Assessor Parcel. Prepayment must be made not less than 75 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Special Taxes.

The Prepayment Amount shall be calculated as follows (capitalized terms as defined below):

	Bond Redemption Amount
plus	Remaining Facilities Amount
plus	Redemption Premium
plus	Defeasance Requirement
plus	Administrative Fees and Expenses
less	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

- Step 1.** Compute the total Maximum Special Tax that could be collected from the Assessor Parcel prepaying the Special Tax in the Fiscal Year in which prepayment would be received by the City or, in the event of a payment pursuant to Step 3.c in Section D, compute the amount by which the Maximum Special Tax revenues were reduced and use the amount of this reduction as the figure for purposes of this Step 1.
- Step 2.** Divide the Maximum Special Tax computed pursuant to Step 1 for such Assessor Parcel by the lesser of: (i) the Maximum Special Tax revenues of the CFD that could be collected in that Fiscal Year; or (ii) the Maximum Special Tax revenues of the CFD that could be generated in that Fiscal Year assuming property in the CFD is built out based on Expected Land Uses at the time the prepayment is calculated.
- Step 3.** Multiply the quotient computed pursuant to Step 2 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (*the "Bond Redemption Amount"*).
- Step 4.** Compute the current Remaining Facilities Costs (if any).
- Step 5.** Multiply the quotient computed pursuant to Step 2 by the amount determined pursuant to Step 4 to compute the amount of Remaining Facilities Costs to be prepaid (*the "Remaining Facilities Amount"*).
- Step 6.** Multiply the Bond Redemption Amount computed pursuant to Step 3 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (*the "Redemption Premium"*).
- Step 7.** Compute the amount needed to pay interest on the Bond Redemption Amount starting with the first Bond interest payment date after which the prepayment has been received until the earliest redemption date for the Outstanding Bonds, which may be the next interest payment date after the prepayment has been received.
- Step 8:** Compute the amount of interest the City reasonably expects to derive from reinvestment of the Bond Redemption Amount plus the Redemption Premium from the first Bond interest payment date after which the prepayment has been received until the redemption date for the Outstanding Bonds, which may be the next interest payment date after the prepayment has been received.
- Step 9:** Take the amount computed pursuant to Step 7 and subtract the amount computed pursuant to Step 8 (*the "Defeasance Requirement"*).

- Step 10.** Determine the costs of computing the prepayment amount, the costs of redeeming Bonds, the costs of recording any notices to evidence the prepayment and the redemption, and any other administrative costs (the "*Administrative Fees and Expenses*").
- Step 11.** If and to the extent so provided in the indenture or fiscal agent agreement pursuant to which the Outstanding Bonds to be redeemed were issued, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "*Reserve Fund Credit*").
- Step 12.** The Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3, 5, 6, 9, and 10, less the amount computed pursuant to Step 11 (the "*Prepayment Amount*").

A partial prepayment may be made in an amount equal to any percentage of full prepayment desired by the party making a partial prepayment. The Maximum Special Tax that can be levied on an Assessor Parcel after a partial prepayment is made is equal to the Maximum Special Tax that could have been levied prior to the prepayment, reduced by the percentage of a full prepayment that the partial prepayment represents, all as determined by or at the direction of the Administrator.

SECTION I. INTERPRETATION

The Administrator may interpret this Rate and Method as necessary to clarify any inconsistency, vagueness, or ambiguity.

SECTION J. APPEALS

Appeals of any claim of incorrect computation of Special Tax or application of this Rate and Method may be made by the owner of an Assessor Parcel or such owner's duly-authorized representative by filing a written notice of appeal with the Administrator not later than thirty (30) days after having paid the disputed Special Tax. The Administrator shall promptly review the appeal and, if necessary, meet with the property owner (or representative), consider written and oral evidence regarding the amount of the Special Tax, and decide the appeal. If the property owner disagrees with the Administrator's decision, the owner may then file a written appeal with the Council, whose decision shall be final. If the decision of the Administrator or the Council requires the Special Tax to be modified or changed in favor of the property owner, no cash refund shall be made for prior years' Special Tax levies, but an adjustment shall be made to the next Special Tax levy(ies) as appropriate. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.
