Subject: Proposed rental inspection ordinance

After reading the article in the Merced County Times, I felt impelled to write and voice my objections to this proposed ordinance. I feel this is an unnecessary tax being imposed on landlords. Tenants have always had the ability and right to complain to some agency regarding a landlord's unwillingness to perform necessary repairs and/or conditions of a dwelling. Adding a division of city government to oversee such things is such an unnecessary burden, and tenants are ultimately the ones who will be negatively impacted the most. Please do not approve this ordinance. Thank you.
