Good Morning!!! I had just read the article that our community might be building a realtor street hockey rink!!! PLEASE make this happen! Our youth need more resources and positive outlets! Merced has limit program and resources for our youth to engage in and this would be an amazing for our kids to have access to. Growing up in merced my favorite thing was going to RollerLand and participating in their roller hockey games. Making an actual league would be awesome! I am 🙌 in support for this!

Thank you!
