Subject: FW: Quiet Zone re trains from Loughborough and Bear Creek by the new homes in Devonwood Village

This came in for Planning Commission tonight but it sounds more like ARPA to me...wanted to pass it along.

Good morning Commissioners,

I just spoke to the resident below and she asked that I read the email below into the record during the oral communications portion of the agenda.

Thank you,

Taylor Gates

Dear Planning Commissioner:

Please consider using part of the 56M funds that Merced received to put in place a quiet zone from 10 pm to 7 am regarding the trains that run along Loughborough and Bear Creek. They run all night long blaring their horns that we

home owners here at the new development “Devonwood Village” just cannot sleep. Lack of sleep brings on so many health problems and we are all having a hard time getting up in the morning to go to our jobs. Please help us and let us know what we can do to make this happen. Thank you for your time.

Respectfully,

Diana Villa
