Hi Taylor,

Thank you very much for the information that you sent.

We are not opposed to the Charter School; in fact, we are very much in favor of it. However, we would be opposed to any kind of chain link, metal or wire fencing erected between the school property and the back yards of Beal Ave. and Judy Ct. properties. Typically, this type of fencing is unsightly and over time accumulates trash and weeds.

I am asking that my comments be part of your minutes. If you or any member of the Planning Commission should have any questions, please do not hesitate to contact me.
