**F. BUSINESS**

1. Request #22-002 (from 3/8/22 Meeting)– Recreational vehicles being parked on the city streets (Wes Unruh)

*(Citizen states recreational vehicles are being parked on the city's streets moving them every 72 hrs. to circumvent the code) and are causing blite and inviting crime.)*

2. Request #22-010–Requesting a Walkway at the End of Coppola Ct. (Grace Newman)

*(Citizen states she would like a walkway to the M St. sidewalk at the end of Coppola Ct. There is currently a wall there that blocks any pathway towards M St. This would make pedestrian access to public transportation easier and would lower the walking distance for physically disabled pedestrians (like herself) when attempting to access M St. from her home.)*
