FINDINGS AND DETERMINATIONS AS THE HOUSING SUCCESSOR AGENCY

FINDINGS:

1. Pursuant to California Redevelopment Law (Health & Safety Code Section 33000 *et seq.*) the City of Merced, California as the housing successor to the former Redevelopment Agency of the City of Merced (“Successor Agency”) is required to establish a fund for the purpose of increasing, improving, and preserving the community’s supply of low and moderate income housing available at affordable housing cost using Low and Moderate Income funds; and,
2. The Successor Agency has established Low and Moderate Income Housing Funds for the purpose of increasing, improving, and preserving the community’s supply of low and moderate income housing in the City’s former two project areas; and,
3. The City of Merced’s General Plan Housing Element provides substantial evidence that there is a significant need for affordable housing throughout the City of Merced; and,
4. Affordable housing development opportunities are not confined to the Successor Agency’s former two Project Areas but instead are found throughout the entire community of Merced; and,
5. Residential housing development opportunities are particularly limited in the forth Project Area 2 due to the small amount of residentially-zoned land in the former Project Area; and,
6. The California Health and Safety Code provides authority for expending Redevelopment Low-Moderate Income Housing funds throughout the community without limit as to project area boundaries if the use of such funds will of benefit to the project areas.

DETERMINATIONS:

1. Expenditures of Low-Moderate Income Housing funds outside the Successor Agency's former two Project Areas are necessary and reasonable and will be of benefit to the Project Area 2 and Gateways Project Area.

2. The expenditure of the former Project Area 2 and Gateways Project Area Low-Moderate Income Housing funds anywhere in the City of Merced, including areas inside and outside of the former Project Area 2 and Gateways Project Area, is hereby authorized.
