Subject: Letter of Support for Wet Whistle

My name is Kevin and I work at the El Capitan Hotel,

I have spoken with Raj several times, during his frequent stays with us, and he has shared his ideas and visions for the Wet Whistle. I would like to offer my support for this project, as I think the City needs more high-quality restaurants and there is very little open or available in North Merced. This project will also bring something different to the city of Merced, I have not seen anything like the concept of what Raj envisions, and it would be nice to have a bigger variety of choices when it comes to dining establishments.
