# SITE PLAN REVIEW COMMITTEE AGENDA

Page 2

September 14, 2023

## **THE SITE PLAN REVIEW COMMITTEE**

The Site Plan Review Committee is comprised of three City Staff members: the Director of Development Services, the City Engineer, and the Chief Building Official. The Committee's primary duties are to review permits for uses such as principally permitted uses in Industrial zones; second units in R-1 zones, recycling facilities, wireless communications facilities, and temporary warehouse uses in C-C zones. (Municipal Code Sections 20.10, 20.24, 20.32, 20.34, 20.36, 20.42, 20.54, 20.58, 20.62, 20.74, and 20.92).

The Director of Development Services and his staff prepare the agenda, provides reports, etc. Other City staff members such as the Civil Engineer also serve as advisors to the Commission.

## **SITE PLAN REVIEW COMMITTEE MEETINGS**

The Committee is interested in your views and waits to hear them. The Agenda for the meeting is posted for public review by the City Clerk's Office at least 72 hours prior to the meeting.

### **Consent Items**

All matters listed as "CONSENT" are considered routine by the Site Plan Review Committee and will be adopted by one action of the Commission unless any citizen or Commission member has any question or wishes to make a statement or discuss an item. In that event, the Chairman will remove that item from the Consent Calendar and place it for separate consideration.

### **Consideration of Items**

Please note that public hearings are NOT required for Site Plan Review applications. If a member of the public wishes to speak on an item, he/she must request permission to speak on that item after the staff presentation.

The Committee will ask those who are for\* or against\*\* a proposal to speak at all meetings. The sequence of events is:

1. Staff report of facts and a recommendation.
2. Applicant's statement.
3. Opportunity for public input (if requested).

If you decide to speak, please start by giving your name and address, then tell the Committee Members your concern. We want your views; don't worry about how to say them. If several people have spoken, try not to be repetitious. If there are several in your area with concerns, why not appoint a spokesman. The Committee is particularly interested in the specific reasons you are for or against a proposal because their decision has to be based on specific reasons.

A Committee denial of a request or proposal is final unless appealed in writing to the Planning Commission within ten days. On many other items, the Committee may RECOMMEND ACTION to the Planning Commission. If your item is passed on to the Planning Commission, be sure to follow up by attending the Commission hearings and expressing your point of view.

You may also find that the Committee may not get to your item - set for 1:30 p.m. public hearing - until 2:00 p.m. for instance. We regret you having to wait. Experience has shown that setting items 1/2 - 1 hour apart is unwise, however. Sometimes matters are withdrawn or are resolved quickly leaving the Committee and public in a position of waiting for an appointed time to arrive.

## **GENERAL INFORMATION**

The Planning staff can assist you with other planning questions on matters such as conditional use permits, annexation to the city, land subdivision, downtown Merced projects, home occupation permits, zoning, population, and housing. (Phone 385-6858) 678 West 18th Street, Merced, CA 95340
