Project Title: Merced Vision 2030 General Plan, initiated by the City of Merced.

Lead Agency Contact: Kim Espinosa, Planning Manager Phone No. 209/385-6858

Project Location - City: Merced **Project Location - County:** Merced

Description of Project: The *Merced Vision 2030 General Plan* includes Urban Expansion, Land Use, Transportation & Circulation, Public Facilities & Services, Urban Design, Open Space, Conservation & Recreation, Sustainable Development, Housing (previously adopted), Noise, and Safety Elements. The expansion of the City's growth boundary will define the limits for extending City services and infrastructure so as to accommodate new development anticipated within the 20 year time-frame of the General Plan. The current growth boundary or Specific Urban Development Plan (SUDP) contains approximately 20,000 acres and the current Sphere of Influence (SOI) contains approximately 33,700 acres. The proposed SUDP/SOI (now combined into one) contains 28,576 acres. Policies in the proposed General Plan promote compact urban development and provide for an orderly transition from rural to urban land uses.

This is to advise that the City of Merced (Lead Agency) has approved the above-described project and EIR on January 3, 2012 and has made the following determination:

1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to provisions of CEQA.
3. Mitigation measures and a monitoring program were made a condition of approval of the project.
4. A Statement of Overriding Considerations was adopted for the project.
5. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Draft and Final Environmental Impact Reports (SCH #2008071069), including comments and responses, and a record of the project approval are available to the general public at the City of Merced, 678 West 18th Street, Merced, CA 95340, 209/385-6858.
