MEMORANDUM

DATE: July 3, 2024

TO: Planning Commission

FROM: Kim Espinosa, Temporary Director of Development Services

SUBJECT: Continuance of Item E.1 – CUP #1277

DISCUSSION

The applicant has requested a continuance of the Planning Commission's consideration of Item #E.1 – Conditional Use Permit #1277 to August 7, 2024. The continuance is requested to allow the applicant to have adequate time to research alternative locations as potential ground for the proposed cell tower.

City staff is prepared to provide a presentation on the item if the Planning Commission does not wish to grant the continuance. In any case, the Planning Commission will need to open the public hearing, hear any testimony from individuals who request to testify (including any voicemails, unless the Commission wishes to hold those voicemails for the continued public hearing), and then take action on the continuance.

ACTION REQUIRED: Continue Item #E.1 to the regularly scheduled Planning Commission meeting of Wednesday, August 7, 2024, at 6:00 p.m.
