- 5X2.30-01 Department Share of Insurance -- Department's share of premium and reserve coverage for property, general liability, fidelity bond, and auto insurance. Each type of liability coverage is first assigned a portion of liability administration and reserve costs based on premium value. The combined total of premium, reserve, and administration is then distributed as described below:
- General Liability and Fidelity - Costs are distributed based on number of employees.
- Property -- Costs are distributed first on the basis of value. Costs attributable to the Civic Center are further allocated based on square footage.
- Auto - Costs of auto insurance are distributed based on number of vehicles assigned to departments.
- 5X2.32-00 Vehicle Replacement - Funds accumulated for vehicle replacement based on vehicle(s) assigned to department.
- 5X2.38-00 Support Services - This line item is used to distribute the costs of services of the Personnel, Information Systems, and Risk Management Administration. Total costs of each division are reduced by revenues, including interdepartmental direct service charges. The remaining costs are then distributed by a weighted formula based on share of total employees, share of total operating budgets, and estimated percent of time expended by charging department.
- 5X2.43-00 Machinery/Equipment - Acquisitions, generally in excess of \$5,000. See detail list at Tab 15 for specific department acquisitions and vehicle replacement.
- 5X2.45-00 Facilities Maintenance -- Charge calculations of the Facilities Operations and Maintenance operating budget are distributed by square footage of facilities where service is provided, labor cost based on number of hours service is provided, and direct costs associated with specific department/divisions.
- 5X2.46-00 Computer Replacement Charge - Funds accumulated for the replacement of the computers assigned to department.
- 5X4.91-XX Administrative Expense -- This line item is used to distribute the costs of services of the City Council, City Manager's office, City Attorney, Finance, Purchasing, Police, and Public Works Administration. Total costs of each division are reduced by PERS revenues and interdepartmental direct service charges. The remaining costs are then distributed by a weighted formula

GLOSSARY - EXPENSES

based on share of total employees, share of total operating budgets, and estimated percent of time expended by charging department. This line item (5X4.91-00) is also used to distribute cost associated with copy machines located in the Civic Center based on historical usage.
