TO: Bicycle Advisory Commission
FROM: Michael Hren, AICP, Principal Planner
DATE: December 12, 2017
SUBJECT: Report from Commissioner Hicks on strategy meeting with City Planning, Engineering and Public Works Departments

BACKGROUND

At the Bicycle Advisory Commission (BAC) meeting of December 12, 2017, Commissioner Hicks was empowered to meet with City Staff regarding Complete Streets.

DISCUSSION

Commissioner Hicks will provide an update regarding the strategy meeting. Among the items discussed at that meeting was a potential pilot project for a six to eight block area in Merced to improve the roadway to a higher standard of complete streets with a focus on cyclist improvements.

ACTION

Provide staff with preferred locations for a potential Pilot Project, as well as guidance on the most important improvements to include in such a project.
