Applicant Certification

- *Your application is public record and information regarding your application is available at the Development Services Department at the Merced Civic Center. All references to names, addresses, telephone numbers, email addresses and project information are part of this public record, and subject to disclosure pursuant to the Public Records Act. Staff will provide the redacted version provided digitally by the applicant for these purposes. All applications must be filed under the property owner's name and address of the property that is the subject of the application; however, you may use an alternate contact address and telephone number.*
- *The Federal Controlled Substances Act (codified as 21 U.S.C. sections 801 et seq.) is a regulatory system designed to combat recreational drug abuse by making it unlawful to manufacture, distribute, dispense, or possess any controlled substance. The Act lists cannabis as a controlled substance, classifying it as a Schedule I Drug, which is defined as a drug or other substance that has a high potential for abuse, that has no currently accepted medical use in treatment in the United States, and that has not been accepted as safe for use under medical supervision. The Federal Controlled Substances Act makes it unlawful, under federal law, for any person to cultivate, manufacture, distribute or dispense, or possess with intent to manufacture, distribute, or dispense, cannabis. By signing below, applicant acknowledges the foregoing and participates in cannabis related activities pursuant to state and local law at its own risk.*
- *An application is restricted to one facility in one location. Multiple applications for a single site are not permitted unless all proposed operations can be implemented simultaneously. The applicant must meet any additional standard criteria and fulfill any additional standard requirements typically associated with obtaining a Permit in the City. Requirements shall conform to the State licensing requirements as set forth by the California Business and Professions Code, Division 8, Chapter 3.5.*
- *Permit fees include a non-refundable application fee and an annual regulatory fee per Resolution No. 2021-43, as updated annually. Annual regulatory fees are first paid at the time the business begins operation and annually on that same date.*

Under penalty of perjury, I hereby declare that the information contained within and attached to this application is complete true, and accurate. I understand that a misrepresentation of fact is cause for rejection of this application, denial of the license or revocation of a license issued. By submitting this application, I certify that I have read and understand the requirements of the application process and that I may be disqualified for failure to meet the requirements of state law or City ordinance, or for incomplete, late or inaccurate applications/attachments, and that all fees paid in connection with this application are non-refundable.

Please check this box to acknowledge that the Applicant had read and understood these provisions.

I, _____, acknowledge that I have read and understood the above paragraphs.

**COMMERCIAL CANNABIS BUSINESS PERMIT
INDEMNIFICATION AGREEMENT**

THIS COMMERCIAL CANNABIS BUSINESS PERMIT INDEMNIFICATION AGREEMENT (“Agreement”) is entered into this ___ day of _____, 20___, by and between the City of Merced (“City”) and _____ (“Applicant”).

RECITALS

WHEREAS, the Applicant has a legal and/or equitable interest in the certain real property located commonly known as _____, within the City of Merced, State of California, APN _____ (the “Property”);

WHEREAS, the Applicant has submitted an application to the City for a Commercial Cannabis Business Permit “CCBP” for the commercial dispensing, cultivation, distribution, testing, and/or manufacturing of medical marijuana at the Property (the “Project”);

WHEREAS, Merced Municipal Code 20.44.170, requires applicants to execute and deliver an Indemnification Agreement to the City as part of the application package for any CCBP, prior to the issuance of a CCBP.

AGREEMENT

NOW, THEREFORE, in consideration of the promises, covenants and provisions set forth herein, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. Nothing in this Agreement shall be construed to limit, direct, impede or influence the City’s review and consideration of Applicant’s application to the City for the Project.

2. The developer/applicant shall indemnify, protect, defend (with counsel selected by the City), and hold harmless the City, and any agency or instrumentality thereof, and any officers, officials, employees, or agents thereof, from any and all claims, actions, suits, proceedings, or judgments against the City, or any agency or instrumentality thereof, and any officers, officials, employees, or agents thereof to attack, set aside, void, or annul, an approval of the City, or any agency or instrumentality thereof, advisory agency, appeal board, or legislative

body, including actions approved by the voters of the City, concerning the project and the approvals granted herein. Furthermore, developer/applicant shall indemnify, protect, defend (with counsel selected by the City), and hold harmless the City, or any agency or instrumentality thereof, against any and all claims, actions, suits, proceedings, or judgments against any governmental entity in which developer/applicant's project is subject to that other governmental entity's approval and a condition of such approval is that the City indemnify and defend such governmental entity. City shall promptly notify the developer/applicant of any claim, action, or proceeding. City shall further cooperate fully in the defense of the action. Should the City fail to either promptly notify or cooperate fully, the developer/applicant shall not thereafter be responsible to indemnify, defend, protect, or hold harmless the City, any agency or instrumentality thereof, or any of its officers, officials, employees, or agents.

With respect to the City's review and/or approval of the Project, this obligation shall also extend to any effort to attack, set aside, void, or annul the approval of the Project, including any contention the Project or its approval is defective because a City ordinance, resolution, policy, standard or plan is not in compliance with local, State or Federal law. With respect to acts or omissions of the Applicant, its agents, employees or contractors, its obligation, hereunder shall apply regardless of whether the City prepared, supplied and/or approved plans and/or specifications.

3. The obligations of the Applicant under this Agreement shall apply regardless of whether a permit is actually issued.

4. The City will promptly notify Applicant of any such claim, action, or proceeding that is or may be subject to this Agreement and will cooperate fully in the defense. The City may, within its unlimited discretion, participate in the defense of any such claim, action, or proceeding if the City defends the claim, action, or proceeding in good faith.

5. The City Council shall have the absolute right to approve any and all counsel employed to defend the City. To the extent the City uses any of its resources to respond to such claim, action or proceeding, or to assist the defense, the Applicant will reimburse the City upon demand. Such resources include, but are not limited to, staff time, court costs, City Council's time at its regular rate for non-City agencies, or any other direct or indirect cost associated with responding to, or assisting in defense of, the claim, action or proceedings.

6. The Applicant shall not be required to pay or perform any settlement unless the settlement is approved in writing by the Applicant, which approval shall not be unreasonably withheld. The City must approve any settlement affecting the

rights and obligations of the City in writing.

7. The defense and indemnification of City set forth herein shall remain in full force and effect throughout all stages of litigation including appeals of any lower court judgments rendered in the proceeding.

8. For any breach of this Agreement the City may rescind its approval of the Project and/or any CCBP previously issued.

9. The parties agree that this Agreement shall constitute a separate agreement from any Project approval, and/or CCBP and that if the Project, in part or in whole, is invalidated, rendered null or set aside by a court of competent jurisdiction, the parties agree to be bound by the terms of this Agreement, which shall survive such invalidation, nullification or setting aside.

10. This Agreement shall be construed and enforced in accordance with the laws of the State of California.

11. In any legal action or other proceeding brought by either party to enforce or interpret this Agreement, the appropriate venue is the Merced County Superior Court.

12. If any action, proceeding, or arbitration arising out of or relating to this Agreement is commenced by either party, the prevailing party shall be entitled to receive from the other party, in addition to any other relief that may be granted, the reasonable attorneys' fees, costs, and expenses incurred in the action, proceeding, or arbitration by the prevailing party.

13. This Agreement shall be binding on and inure to the benefit of the parties and their legal representative, successors, heirs and assigns.

14. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same Agreement

After review and consideration of all of the foregoing terms and conditions, Applicant, but its signature below, hereby agrees to be bound by and to fully and timely comply with all of the foregoing terms and conditions.
