

The City of Merced's FOG Detective needs your help keeping FOG out of the sewer system.

Your neighbor cooked bacon for breakfast but doesn't know what to do with the fats, oils & grease. Show them the proper steps to take for disposing of FOG.

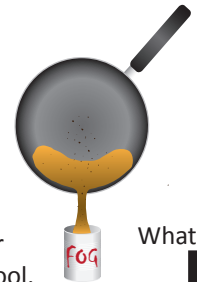

1. Start here.

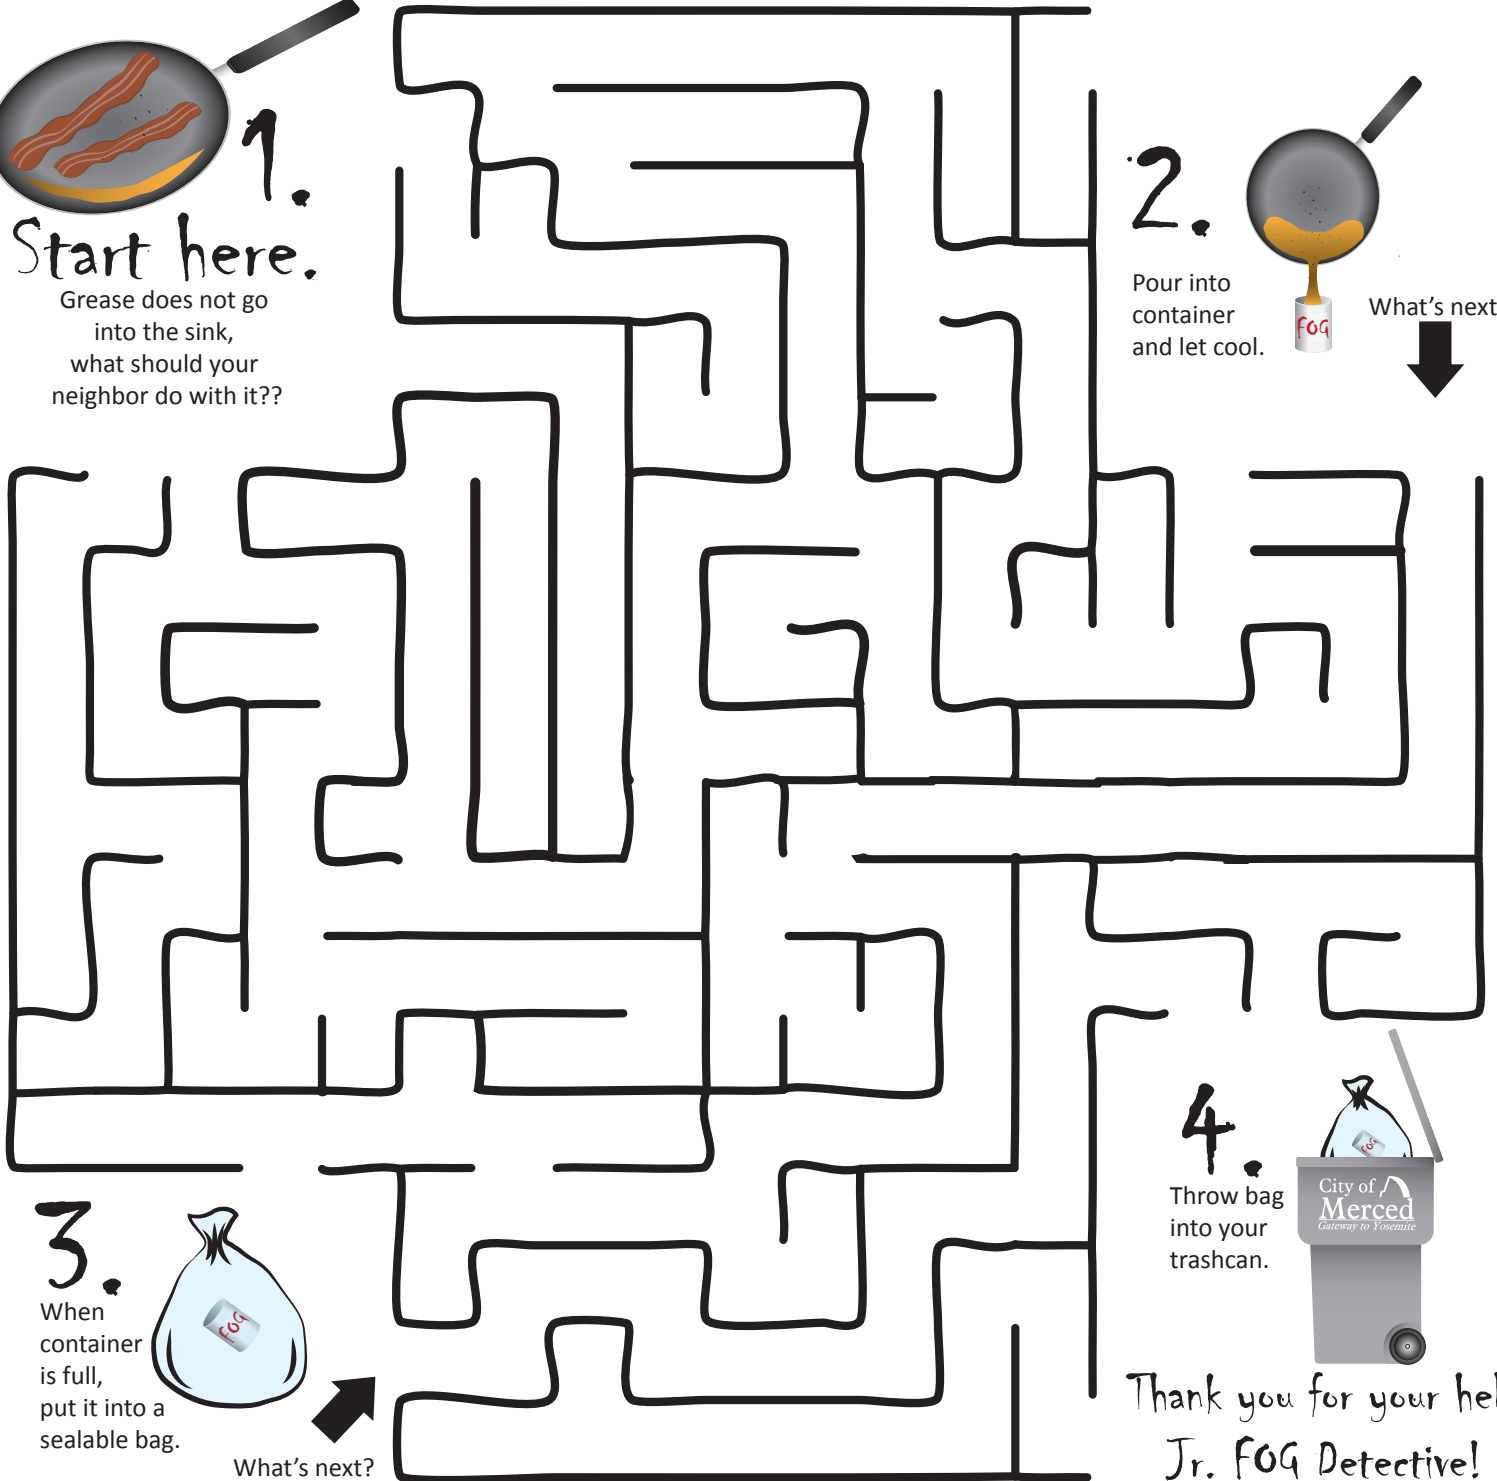

Grease does not go into the sink, what should your neighbor do with it??

2.

Pour into container and let cool.

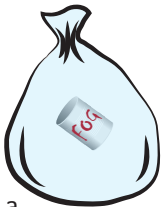

What's next?

3.

When container is full, put it into a sealable bag.

What's next?

4.

Throw bag into your trashcan.

Thank you for your help  
Jr. FOG Detective!
