**SUBJECT:** **Conditional Use Permit #1234**, initiated by Silvia Magallon on behalf of TD REO Fund, LLC, property owner. This application involves a request to operate a food truck within the 76/Circle K parking lot, generally located at the northeast corner of G Street and 21<sup>st</sup> Street (2104 G Street), within a Neighborhood Commercial (C-N) Zone. \*PUBLIC HEARING\*

**ACTION:** Approve/Disapprove/Modify

- 1) Environmental Review #19-23 (Categorical Exemption)
- 2) Conditional Use Permit #1234

**SUMMARY**

Silvia Magallon is requesting conditional use permit approval to operate a food truck within the 76/Circle K parking lot located at 2104 G Street (Attachment A). Mobile Food Vendors are considered a conditional use within a Neighborhood Commercial (C-N) Zone. The proposed food truck would be located within a parking lot near the northeast corner of the parcel (Attachment B). The food truck would operate daily between 7:00 a.m. and 9:00 p.m., as allowed by the City's Zoning Ordinance. The Planning Commission will be reviewing this proposal to ensure that the new site plan is designed in a manner that minimizes negative impacts to the existing site and promotes compatible and orderly development. Staff is recommending approval of this request subject to the conditions of approval outlined below.

**RECOMMENDATION**

Planning staff recommends that the Planning Commission approve Environmental Review #19-23 (Categorical Exemption) and Conditional Use Permit #1234 (including the adoption of the Resolution at Attachment F) subject to the following conditions:

- \*1) The proposed project shall be constructed/designed as shown on Exhibit 1 (site plan) and Exhibit 2 (photos) - Attachments B and C, except as modified by the conditions.
- \*2) All conditions contained in Resolution #1249-Amended ("Standard Conditional Use Permit Conditions"—except for Condition #16 which has been superseded by Code) shall apply.

- \*3) The proposed project shall comply with all standard Municipal Code and Subdivision Map Act requirements as applied by the City Engineering Department.
- \*4) All other applicable codes, ordinances, policies, etc., adopted by the City of Merced shall apply.
- \*5) The developer/applicant shall indemnify, protect, defend (with counsel selected by the City), and hold harmless the City, and any agency or instrumentality thereof, and any officers, officials, employees, or agents thereof, from any and all claims, actions, suits, proceedings, or judgments against the City, or any agency or instrumentality thereof, and any officers, officials, employees, or agents thereof to attack, set aside, void, or annul, an approval of the City, or any agency or instrumentality thereof, advisory agency, appeal board, or legislative body, including actions approved by the voters of the City, concerning the project and the approvals granted herein. Furthermore, developer/applicant shall indemnify, protect, defend, and hold harmless the City, or any agency or instrumentality thereof, against any and all claims, actions, suits, proceedings, or judgments against any governmental entity in which developer/applicant's project is subject to that other governmental entity's approval and a condition of such approval is that the City indemnify and defend (with counsel selected by the City) such governmental entity. City shall promptly notify the developer/applicant of any claim, action, or proceeding. City shall further cooperate fully in the defense of the action. Should the City fail to either promptly notify or cooperate fully, the developer/applicant shall not thereafter be responsible to indemnify, defend, protect, or hold harmless the City, any agency or instrumentality thereof, or any of its officers, officials, employees, or agents.
- \*6) The developer/applicant shall construct and operate the project in strict compliance with the approvals granted herein, City standards, laws, and ordinances, and in compliance with all State and Federal laws, regulations, and standards. In the event of a conflict between City laws and standards and a State or Federal law, regulation, or standard, the stricter or higher standard shall control.
- \*7) The applicant shall comply with all City of Merced business licensing requirements and with all requirements of the Merced County Environmental Health Department.
- 8) No outdoor tables or chairs shall be permitted on the premises, unless otherwise approved by the Planning Department in consideration of all relevant parking and vehicle circulation areas on this site.
- 9) At least two tamperproof trash receptacles shall be provided while food is being served. The site and the immediate surrounding area shall be maintained free of all debris and trash generated from this use.
- 10) All signing shall be contained on the food truck. No A-frame signs, banners, inflatable signs, feather signs, pennant signs, flags, or other moving or portable signs shall be permitted for this use anywhere on or off the site.
- 11) The hours of operation shall be any span of time between 7:00 a.m. and 9:00 p.m. and the business may be open 7 days a week. However, if the business is open after dark, lights shall be provided on the vehicle or on the property that are sufficient to light the vehicle

- and at least a 50-foot radius around the vehicle. If lights are not provided, the foodtruck shall close at sundown.
- 12) If the business owners wish to extend the business hours in the future, they must obtain approval from the Development Services Director and the Police Chief, or if deemed necessary by the Development Services Director, be referred back to the Planning Commission for action.
  - \*13) Disposal of waste products shall be limited to a Merced County Environmental Health Department approved commissary or alternative approved facility.
  - \*14) The applicant shall comply with the Water Quality Control Division's (WQCD) Best Management Practices regarding the disposal of cooking grease and proper cleaning of kitchen equipment, as shown on Attachment D, or as otherwise required by the WQCD.
  - 15) If problems arise as a result of this business that may require excessive Police Department service calls to the site or within the immediate area including, but not limited to, excessive harassment, malicious property damage, lewd and/or disorderly conduct, this approval may be subject to review and revocation by the City of Merced.
  - 16) During hours of operation, food truck employees shall have access to a cell phone (either their own or one provided by the business owner) in case of emergencies.
  - 17) In the future, if there are excessive calls for police assistance, the Police Chief may require the applicant to install exterior video surveillance cameras. Any video related to criminal investigations must be accessible immediately for viewing by the Merced Police Department or any other law enforcement agency. A recorded copy of surveillance video, requested in connection with a criminal investigation, must be reasonably accessible and available within 24 hours when requested by law enforcement. The business owner is responsible for maintaining the video surveillance equipment in an operable manner at all times.
  - 18) The food truck shall be oriented perpendicular to the parking stalls to allow room for customers to gather without being in danger of collisions from vehicles entering/exiting the site. The food truck shall not block the driving aisle or access to the alley.
  - 19) It shall be the operator's responsibility to ensure all customers park in an orderly fashion and don't block the driveway entrances or interfere with other customers visiting the site.
  - 20) The applicant shall comply with all regulations found in Merced Municipal Code Section 20.44.020 - Food Trucks in Fixed Locations, except as modified by these conditions.
  - 21) A minimum of 2 parking spaces on the site shall be dedicated to food truck customers. These spaces shall be located as close as possible to the food truck.
  - 22) Food truck activities shall in no way interfere with the operation of existing businesses on the lot, or nearby businesses, including noise, litter, loitering, and traffic circulation, refuse service, and public safety.
  - \*23) The owner shall ensure that restroom facilities are available for the employees. These restrooms shall be provided in a permanent building that meets the Health Department's requirements for distance from the business operation. Portable toilets shall not be allowed.

- 24) The mobile food vendor is prohibited from selling alcohol.
- 25) “No Loitering” signs shall be posted on the food truck and convenience market at specific locations approved by the City Police Department.
- 26) The food truck shall maintain a minimum distance of 20 feet from all fuel pumps, or as otherwise required by Fire Department.
- 27) Any illegal signs and advertisements posted on the convenience market onsite shall be removed prior to the food truck obtaining a business license.

(\* Denotes non-discretionary conditions.

**PROJECT DESCRIPTION**

The applicant is proposing to operate a food truck within the 76/Circle K parking lot located at 2104 G Street (Attachment A). The food truck would be located within a parking lot near the northeast corner of the parcel, and be oriented in a manner that does not block driving aisles or fire lanes (Attachment B). The food truck would operate daily between 7:00 a.m. and 9:00 p.m., as allowed by the City’s Zoning Ordinance (Merced Municipal Code 20.44.020). Employee restrooms would be located inside the Circle K convenience market, as allowed by the Merced County Environmental Health Department. The sale of alcohol by the food truck is prohibited (Condition #24).

**BACKGROUND**

City records do not show when the gas station and convenience market were originally developed. However, business license records show that at least five businesses have occupied this site since the 1980s. The gas station became vacant for an extended period of time between 2011 and 2014.

In 2014, 76/Circle K obtained Site Plan review approval to remodel the subject site. Modifications to the subject site included resurfacing the parking lot, planting landscaping throughout the site, improving the gas pump canopy, and remodeling the exterior/interior of the convenience market. 76/Circle K has occupied the subject site since obtaining approval in 2014.

### **FINDINGS/CONSIDERATIONS:**

#### **General Plan Compliance and Policies Related to This Application**

- A) The proposed Project complies with the General Plan designation of Neighborhood Commercial (CN) and the zoning designation of Neighborhood Commercial (C-N) with approval of this Conditional Use Permit.

#### **Traffic/Circulation**

- B) The applicant is proposing to locate the food truck within the northeast portion of the parking lot (Attachment B). The food truck would be located about 100 feet from the nearest driveway at the northeast corner of the parcel. The food truck would be oriented parallel to the parking stalls (Condition #18), in a manner that does not block any driving aisles, and provides space for customers to gather around the food truck without backing into the adjacent driving aisle. Orienting the food truck in this manner allows vehicles to enter and exit the subject site without impediments. In addition, the applicant shall be required to preserve access for the Refuse Department so that their trucks can access this site and serve this property (Condition #22).

#### **Parking**

- C) The subject site must meet the minimum parking requirements for the existing gas station and the proposed food truck. The parking requirement for a gas station is three spaces, plus one space per 250 square feet of retail sales area. Based on this parking formula, the existing 76/Circle K, which has 1,000 square feet of sales floor area, would be required to have a minimum of 7 parking spaces. A mobile food vendor is required to have a minimum of 2 parking stalls. Together, both uses would require a minimum of 9 parking stalls. The subject site would exceed this requirement with a total of 10 parking stalls throughout the site. Additional parking could also be added along the northern property line, along the adjacent alley. Designated food truck parking stalls would be located adjacent to the food truck, directly to the west of the food truck.

#### **Public Improvements/City Services**

- D) The subject site is fully developed and most public improvements are existing. The food truck is self-contained and would not require a separate connection to the City's sewer and/or water systems.

#### **Site Design**

- E) The subject site is located at the northeast corner of G Street and 21<sup>st</sup> Street. The subject site is a developed 0.34-acre parcel with a 1,575-square-foot gas station/convenience market on the southeast portion of the parcel, and a 1,050-square-foot fuel pump canopy at

the southwest portion of the parcel. Vehicle access is available from two 35-foot-wide driveways along G Street, and one 30-foot-wide driveway along E. 21<sup>st</sup> Street. Customer parking is available along the northern portion of the parcel. As shown at Attachment B, the food truck (and customer parking stalls) would be located near the northeast corner of parcel, away from the fuel pump canopy and convenience market's main entrance, in a manner that does not create congestion between customers going to the site for the convenience market or driving to pump gasoline. The food truck would be located approximately 75 feet from the nearest fuel pump, and 115 feet from the nearest underground fuel storage tank (meeting the Fire Department's minimum distance requirements from fuel pumps, see Condition #26). The property owner is not proposing to make any interior or exterior modifications to the convenience market or to the gas pump canopy. Outdoor seating is prohibited (e.g. tables, umbrellas, chairs, etc.) as shown under Condition #8, unless subsequently approved by the Planning Department. "No Loitering" signs shall be posted on the food truck and convenience market at specific locations approved by the City Police Department (Condition #25).

### **Neighborhood Impact/Interface**

- F) The subject site is surrounded by a variety of commercial and high-density residential uses. Surrounding uses to the north, south, east, and west, include Sherwin-William Paint Store, Flanagan Realty, an apartment complex, and a single-family home (zoned Office Commercial) respectively. There is a fence between the subject site and the apartment complex to the east that helps reduce concerns regarding noise and lighting. G Street is a major arterial road that exhibits high volumes of traffic and connects with several commercial strip malls and shopping centers. There are two buildings with multiple tenants within 100 feet of the subject site. Given the existing traffic volumes and dense variety of commercial uses throughout the neighborhood, staff does not anticipate that this proposal would significantly change the character of the neighborhood.

### **Signage**

- G) The food truck is not allowed any signs other than what is provided on the vehicle itself. Condition #10 prohibits the use of any A-frame signs, inflatable signs, feather signs, pennants, or other freestanding signs. Any illegal signs and advertisements posted on the adjacent convenience market shall be removed prior to the food truck obtaining a business license (Condition #27).

### **Truck Details/Operation**

- H) The food truck is standard in appearance and size. It is approximately 8 feet wide by 23 feet long, and approximately 7 ½ feet tall (Attachment C). The food truck will operate daily between 7:00 a.m. to 9:00 p.m. The food truck will sell traditional Mexican food including, but not limited to, tacos, tortas, and burritos. Trash receptacles will be provided to collect the plates, forks, aluminum foil, and paper bags that are typically used to serve these meals (Condition #9). The sale of alcohol is prohibited (Condition #24). Employee restrooms will be available inside the Circle K market as allowed by the Health Department and agreed upon by the property owner (Condition #23). Disposal of waste products shall

be limited to a Merced County Environmental Health Department approved commissary or alternative approved facility (Condition #13). The applicant shall comply with the Water Quality Control Division's (WQCD) Best Management Practices regarding the disposal of cooking grease and proper cleaning of kitchen equipment, as shown at Attachment D, or as otherwise required by the WQCD (Condition #14).

### **Environmental Clearance**

- D) Planning staff has conducted an environmental review of the project in accordance with the requirements of the California Environmental Quality Act (CEQA), and a Categorical Exemption is being recommended (Attachment E).

MERCED MUNICIPAL CODE

15.50.050 - Discharge of non-storm water prohibited

A. Except as provided in Section 15.50.060, it is unlawful, and a misdemeanor subject to punishment in accordance with Chapter 1.12 of this Code, for any person to make or cause to be made any non-storm water discharge.

B. Notwithstanding the exemptions provided by Section 15.50.060, if the regional water quality control board or the enforcement official determines that any otherwise exempt discharge causes or significantly contributes to violations of any storm water permit, or conveys significant quantities of pollutants to a surface water or storm water conveyance, or is a danger to public health or safety, such discharge shall be prohibited from entering the storm water conveyance system.

1.12.020 - General penalties

A. Misdemeanors. Unless otherwise provided, any person convicted of a misdemeanor under the provisions of this code shall be punishable by a fine of not more than one thousand dollars (\$1,000.00) or by imprisonment in the county jail of Merced County for a period not exceeding one (1) year, or by both such fine and imprisonment.

FOOD TRUCKS  
AND  
STORM WATER

**ATTACHMENT D**

The City of Merced is promoting storm water pollution prevention through public outreach and the Storm Water Ordinance. The Merced Municipal Code 15.50.020 - Purpose and Intent states,

*A. The purpose of this chapter is to protect and promote the health, safety, and general welfare of the citizens of City of Merced by controlling non-storm water discharges to the storm water conveyance system from spills, dumping, or disposal of materials other than storm water, and by reducing pollutants in urban storm water discharges to the maximum extent practicable.*

*B. This chapter is intended to assist in the protection and enhancement of the water quality of watercourses, water bodies, and wetlands in a manner pursuant to and consistent with the Federal Clean Water Act (33 U.S.C. Sections 1251 et seq.) and any subsequent amendments thereto, by reducing pollutants in storm water discharges to the maximum extent practicable and by prohibiting non-storm water discharges into the storm drain system.*

Anything that spills or lands on the ground of areas such as streets, sidewalks, drainage channels, or parking lots of the City of Merced eventually becomes storm water pollution. Everything that flows into a storm drain, goes directly to our creeks and rivers, untreated. This means aquatic life can die off and areas for water recreation become unsafe for human enjoyment.

Mobile Food Trucks play a major role in minimizing storm water pollution, because of the mobile aspect of the business. The following are important responsibilities of Food Trucks to aid in the protection of our environment, as well as, the health, safety and general welfare of the citizens of Merced:

## DO'S

Visit commissary DAILY for disposing of fats, oils and grease - keep logs

Clean spills using dry methods, like absorbents

Clean kitchen equipment indoors or at wash facility with an oil separator or a grease interceptor

Clean mobile food truck at an approved wash facility

## DON'TS

Do not dispose of waste fats, oils and grease in storm drains or drainage ditches

Do not use water to clean up spills

Do not clean kitchen equipment outdoors where wastewater could impact the storm drain

Do not clean mobile food truck at place of residence

**Conditions of Approval**  
**Planning Commission Resolution # \_\_\_\_\_**  
**Conditional Use Permit #1234**

1. The proposed project shall be constructed/designed as shown on Exhibit 1 (site plan) and Exhibit 2 (photos) - Attachments B and C of Staff Report #19-24, except as modified by the conditions.
2. All conditions contained in Resolution #1249-Amended (“Standard Conditional Use Permit Conditions”—except for Condition #16 which has been superseded by Code) shall apply.
3. The proposed project shall comply with all standard Municipal Code and Subdivision Map Act requirements as applied by the City Engineering Department.
4. All other applicable codes, ordinances, policies, etc., adopted by the City of Merced shall apply.
5. The developer/applicant shall indemnify, protect, defend (with counsel selected by the City), and hold harmless the City, and any agency or instrumentality thereof, and any officers, officials, employees, or agents thereof, from any and all claims, actions, suits, proceedings, or judgments against the City, or any agency or instrumentality thereof, and any officers, officials, employees, or agents thereof to attack, set aside, void, or annul, an approval of the City, or any agency or instrumentality thereof, advisory agency, appeal board, or legislative body, including actions approved by the voters of the City, concerning the project and the approvals granted herein. Furthermore, developer/applicant shall indemnify, protect, defend, and hold harmless the City, or any agency or instrumentality thereof, against any and all claims, actions, suits, proceedings, or judgments against any governmental entity in which developer/applicant’s project is subject to that other governmental entity’s approval and a condition of such approval is that the City indemnify and defend (with counsel selected by the City) such governmental entity. City shall promptly notify the developer/applicant of any claim, action, or proceeding. City shall further cooperate fully in the defense of the action. Should the City fail to either promptly notify or cooperate fully, the developer/applicant shall not thereafter be responsible to indemnify, defend, protect, or hold harmless the City, any

agency or instrumentality thereof, or any of its officers, officials, employees, or agents.

6. The developer/applicant shall construct and operate the project in strict compliance with the approvals granted herein, City standards, laws, and ordinances, and in compliance with all State and Federal laws, regulations, and standards. In the event of a conflict between City laws and standards and a State or Federal law, regulation, or standard, the stricter or higher standard shall control.
7. The applicant shall comply with all City of Merced business licensing requirements and with all requirements of the Merced County Environmental Health Department.
8. No outdoor tables or chairs shall be permitted on the premises, unless otherwise approved by the Planning Department in consideration of all relevant parking and vehicle circulation areas on this site.
9. At least two tamperproof trash receptacles shall be provided while food is being served. The site and the immediate surrounding area shall be maintained free of all debris and trash generated from this use.
10. All signing shall be contained on the food truck. No A-frame signs, banners, inflatable signs, feather signs, pennant signs, flags, or other moving or portable signs shall be permitted for this use anywhere on or off the site.
11. The hours of operation shall be any span of time between 7:00 a.m. and 9:00 p.m. and the business may be open 7 days a week. However, if the business is open after dark, lights shall be provided on the vehicle or on the property that are sufficient to light the vehicle and at least a 50-foot radius around the vehicle. If lights are not provided, the food truck shall close at sundown.
12. If the business owners wish to extend the business hours in the future, they must obtain approval from the Development Services Director and the Police Chief, or if deemed necessary by the Development Services Director, be referred back to the Planning Commission for action.
13. Disposal of waste products shall be limited to a Merced County Environmental Health Department approved commissary or alternative approved facility.
14. The applicant shall comply with the Water Quality Control Division's (WQCD) Best Management Practices regarding the disposal of cooking

grease and proper cleaning of kitchen equipment, as shown on Attachment D of Staff Report #19-24, or as otherwise required by the WQCD.

15. If problems arise as a result of this business that may require excessive Police Department service calls to the site or within the immediate area including, but not limited to, excessive harassment, malicious property damage, lewd and/or disorderly conduct, this approval may be subject to review and revocation by the City of Merced.
16. During hours of operation, food truck employees shall have access to a cell phone (either their own or one provided by the business owner) in case of emergencies.
17. In the future, if there are excessive calls for police assistance, the Police Chief may require the applicant to install exterior video surveillance cameras. Any video related to criminal investigations must be accessible immediately for viewing by the Merced Police Department or any other law enforcement agency. A recorded copy of surveillance video, requested in connection with a criminal investigation, must be reasonably accessible and available within 24 hours when requested by law enforcement.
